

Historical Society of Clarendon VT

June 20, 2022 6PM Grange Hall

Attendees: Bob Underhill, Becky Mandolare, Phil Mandolare, Dave Potter, Pat Moore, Millie Mullen, Caryn Casey- Hurka, John Colvin, Colombe Colvin, Joyce McGinnis

Bob presented the history of the Chippenhook Cheese Factory along with sharing the original 1870 constitution and the 1891 – 1898 Treasurer's ledger. We know more about this business than most of the businesses that have come and gone from Clarendon in centuries past.

Bob shared with the group the recent donation of hundreds of old letters and documents from the Willson & Spencer families by Lois Wilder Kerwin and her daughter Anne Frost. There is a lot to sort through here and it is sure to yield good insight into the family and their times.

Bob announced that the Vermont Old Cemetery Association will be doing another round of work at the Clarendon Flats Cemetery & Marsh Cemetery on Saturday July 23rd.

The next meeting is July 18th @ 6PM in the Community Center.
