

Historic Society of Clarendon, VT

April 17, 2019 Meeting

Grange Hall, N. Clarendon, VT

18 People were in attendance for this month's meeting.

Phil Mandolare did a virtual tour of our Website using the new overhead projector. A brief discussion took place suggesting more frequent use of the Grange Hall location for meetings due to the fact that the new projector could streamline presentations by accessing our website and information and making it highly visible with relative ease.

The featured presentation was given by Al Ridlon, former Fire Chief and founding member of the Clarendon Fire Department. Current and former Fire Department members enhanced the presentation given by Al and there was a great deal of reminiscing and information shared. Al also brought in a few items for show and tell, such as his actual fire log, fire jacket, Chief's hat and antique trumpet (gift 1967 after being named Fireman of the Year). The presentation was video taped by Phil Mandolare and a copy given to PegTV and uploaded to The Historical Society of Clarendon, VT website and You Tube Channel.

The next monthly meeting was announced for May 15th at 6:00 p.m. to be held at the Clarendon Community Center (Grange) 111 Moulton Ave, Clarendon, VT. This will be our ANNUAL MEETING and all members and non-members are encouraged to attend. The meeting will start with a presentation given by Jason Smiley about the Eddy family of Clarendon and Chittenden, Vermont. The Eddy family became world-renowned during the mid to late 1800's as spirit mediums with the alleged ability of generating full-bodied spirit manifestations or "materializations" of the departed.
