July 29 – Town-wide Tag Sale – it was decided we would not have a table there this year.

Aug. 10 – Will meet at the Kingsley Mill in lieu of the regular 3rd Monday meeting on the 21st. Ed Congdon is working on the details with Ron Evans.

Sept. 18 – Beth Brown of the Vermont Covered Bridge Society will be our speaker

Oct. 16 – Dr. Matt Moriarty of Castleton Univ. will speak for 1/2 hour about their 3D imaging capabilities and then host a 1 ½ hour Antique Road Show. Ed Congdon is working on the details with Dr. Moriarty.

Next up was an excellent presentation on metal detecting by Phil Mandolare, including the physical and technology tools he uses and of how this plays into our research and documentation efforts.
